

2008 PAYROLL UPDATES

1/11/08

WAGE AND TAX STATEMENTS (FORM W-2):

CPB has issued and mailed laser printed annual Wage and Tax Statements (Form W-2). These forms were mailed directly to all current and former employees at the address on file as of early December, 2007. Additional or duplicate copies of the Form W-2 are available to the employee via POSC on the CPB website http://compnet.comp.state.md.us/Central_Payroll_Bureau/Online_Services/. Copies may be requested via phone by calling CPB at 410-260-7964 (local) or 1-888-674-0019 (toll free in Maryland). Requests taken by phone are processed on a weekly cycle. For faster service encourage your employees to use the POSC. A detailed explanation of the Form W-2, “*Your 2007 W-2, What You Need to Know*” is on the CPB website. This should help employees understand the difference between their year-to-date earnings shown on the last pays stub of calendar year 2007 (12/28/07) and their taxable wages shown on the 2007 Form W-2.
